

Gina

Michael Bolton

Oh, oh, nowhere to run, I know
She's got the best of me, yeah
The deed is done, Heaven knows
Knows she wants the rest of me, oh And it's much too late
I'm caught up in the fantasy, yeah
Oh, and there's no escape, no
My runnin' days are history Gina, gina, girl I surrender
Gina, gina, I'm over my head
Gina, gina, say it's forever
Never been in love this way
Never been in love this way and oh I've been on the loose, so long
Love couldn't hold me down no
The flame in you was so strong
Girl you turned my heart around, yeah Now I'm losin' sleep
Can't get you out of my head, no
Think I'm in too deep, yeah
I'm a slave to every word that you said Gina, gina, girl I surrender
Gina, gina, there's no turning back
Gina, gina, say it's forever
Never been in love this way
Never been in love this way Gina, gina
Gina, gina, there's no turning back
Gina, gina, say it's forever
Never been in love this way
Never been in love this way Gina, gina, girl there's no turning back
Gina, gina, gina I'm in over my head
Gina, gina, say it's forever
Never been in love this way
Never been in love this way Gina, gina, I can't get you out of my head
Gina, gina, gina, gina, gina, say it's forever
Gina, gina, I can't get you out of my head
Gina, gina, gina, gina, gina say it's forever
Gina, gina, no turnin' no turnin' back
Gina, gina
