

Doctor My Eyes

Ben Folds

Doctor, my eyes have seen the years
And the slow parade of fears without crying
Now I want to understand I have done all that I could
To see the evil and the good without hiding
You must help me if you can Doctor, my eyes, tell me what is wrong
Was I unwise to leave them open for so long 'Cause I have wandered through this world
And each moment has unfurled
I've been waiting to awaken from these dreams 'Cause people go just where they will
I never noticed them until I got this feeling
That it's later than it seems Doctor, my eyes, tell me what you see
I hear their cries, just say if it's too late for me Doctor, my eyes, tell me what you see
I hear their cries, just say if it's too late for me Doctor, my eyes, I cannot see the sky
Is this the price for having learned how not to cry?
