

Whatever It Takes

Imagine Dragons

Falling too fast to prepare for this
Tripping in the world could be dangerous
Everybody circling, it's vulturous
Negative, nepotist Everybody waiting for the fall of man
Everybody praying for the end of times
Everybody hoping they could be the one
I was born to run, I was born for this Whip, whip
Run me like a racehorse
Pull me like a ripcord
Break me down and build me up
I wanna be the slip, slip
Word upon your lip, lip
Letter that you rip, rip
Break me down and build me up Whatever it takes
'Cause I love the adrenaline in my veins
I do whatever it takes
'Cause I love how it feels when I break the chains
Whatever it takes
You take me to the top I'm ready for
Whatever it takes
'Cause I love the adrenaline in my veins
I do what it takes Always had a fear of being typical
Looking at my body feeling miserable
Always hanging on to the visual
I wanna be invisible Looking at my years like a martyrdom
Everybody needs to be a part of 'em
Never be enough, I'm the prodigal son
I was born to run, I was born for this Whip, whip
Run me like a racehorse
Pull me like a ripcord
Break me down and build me up
I wanna be the slip, slip
Word upon your lip, lip
Letter that you rip, rip
Break me down and build me up Whatever it takes
'Cause I love the adrenaline in my veins
I do whatever it takes
'Cause I love how it feels when I break the chains
Whatever it takes

You take me to the top, I'm ready for
Whatever it takes
'Cause I love the adrenaline in my veins
I do what it takesHypocritical, egotistical
Don't wanna be the parenthetical, hypothetical
Working onto something that I'm proud of, out of the box
An epoxy to the world and the vision we've lost
I'm an apostrophe
I'm just a symbol to remind you that there's more to see
I'm just a product of the system, a catastrophe
And yet a masterpiece, and yet I'm half-diseased
And when I am deceased
At least I go down to the grave and die happily
Leave the body of my soul to be a part of me
I do what it takesWhatever it takes
'Cause I love the adrenaline in my veins
I do whatever it takes
'Cause I love how it feels when I break the chains
Whatever it takes
You take me to the top, I'm ready for
Whatever it takes
'Cause I love the adrenaline in my veins
I do what it takes
