Blaudzun

She lives in mad houses
In warm museums too
She reads time as are books in
Books are on Jesus too
She sings at big time rallies
Smart tunes go lalala..lalala...

The key to the city is
In the one she moves To me
To me

She lives in shipwreck cars
In her houses too
She talks to elephants
Trying to get them to
Sing a long, sing-a-long my darlin'
The smart kids go lalala..lalala...

The secret in her eyes
Ooh when she looks... To me
To me
To me

To me Lalala..lalala...la
lalala..lalala...la
lalala..lalala...Lalala..lalala...la
lalala..lalala...la
Lalala..lalala...la

lalala..lalala...She talks to elephants!She talks to elephants!Ouhooohoo ouhooohooShe talks to elephants
Trying to get the toSing along
