Sex Ed

Heidi Montag

Welcome students
Class is in session
Ay
Sex Ed
Sex Ed
This is only for your education
And there will test
Pay attention
Ask any question
Your Curious
Cause its only us
You can clean the desks
Bend the pages
I'll be your homework tonight
Can you handle it
Tonight it'll be what i want
Why don't you listen boy
Cause its time for expiration
This is the session boy
Sex Ed
I want you to discover
Get on the the Grind Grind
You'll be my lover lover
All of your time
You got the green light
Now ready set go
Give me that student body
I'll teach you all I know
(know know know)
Sex Ed
Lets see a show of hands
Brought the money
And make sure your inside
When the bell rings
I see you watching
Its chemistry
What we're meant to be
Now you've been waiting for this
Show and Tell me

Baby you cant resist
Its your fantasy
Tonight it'll be what i want
Why don't you listen boy
Cause its time for expiration
This is the session boy

Sex Ed
I want you to discover
Get on the
Grind Grind
You'll be my lover lover
All of your time
You got the green light
Now ready set go
Give me that student body
I'll teach you all I know
(know know know)
I'll teach you all I know
(know know know)
I'll teach you
I'll teach you
I'm all alone boy
You're all alone
No one around us
No one will know
Ah Ah
Class is in session boy
Oh
Sex Ed
I want you to discover
Get on the
Grind Grind
You'll be my lover lover
All of your time
You got the green light
Now ready set go
Give me that student body
I'll teach you all I know
I want you to discover
Get on your
Grind Grind
You'll be my lover lover
All of your time
You got the green light

Now ready set go
Give me that student body
I'll teach you all I know
(know know know)
I'll teach you all I know
(know know know)
I'll teach you
I'll teach you
