

# There Goes the Neighborhood

Sheryl Crow

Hey let's party let's get down  
Let's turn the radio on this is the meltdown  
Get out the camera take a picture  
The drag Queens and the freaks are all out on the town And cowboy Jane's in bed  
Nursin' a swollen head Sunshine Sally and Peter Ustanov  
Don't like the scene anyhow  
I dropped acid on a Saturday night  
Just to see what the fuss was about  
Now there goes the neighborhood Photo chick made to look sickly  
Is standin' in her panties in the shower  
She plays the guitar in the bathroom  
While the police dust her mother's plastic flowers And schoolboy John's in jail  
Makin' a killin' through the U.S. mail Sunshine Sally and Peter Ustanov  
Don't like the scene anyhow  
I dropped acid on a Saturday night  
Just to see what the fuss was about  
There goes the neighborhood  
Neighborhood, now there goes the neighborhood This is the movie of the screenplay  
Of the book about a girl who meets a junkie  
The messenger gets shot down  
Just for carryin' the message to a flunkies  
We can't be certain who the villains are  
'Cuz everyone's so pretty  
But the after party's sure to be  
A wing ding as it moves into your city Sunshine Sally and Peter Ustanov  
Don't like the scene anyhow  
I dropped acid on a Saturday night  
Just to see what the stink was about Sunshine Sally and Peter Ustanov  
Don't like the scene anyhow  
I dropped acid on a Saturday night  
Just to see what the fuss was about  
Now there goes the neighborhood  
An' there goes the neighborhood
