God Is Good All The Time
{Chorus} God is good, yes He is. He's good all the time. God is good, you know He is. He's good all the time. You can search the whole world over, No greater friend you'll find. He's not good just once in awhile; He's good all the time. {Repeat Chorus} Now we've all had friends who've let us down. You know what I'm talking about; At the very first sign of trouble, they're nowhere to be found. Well, Jesus stays when others go; He'll never leave your side, He's your friend in stormy weather 'cause He's good all the time. {Repeat Chorus} Well, He's the one you call in the middle of the night when your body moans with pain. Don't worry about that wayward child, 'cause He heard you call his name. He'll put food in your kitchen when you don't have a dime. He's not good just now and then, He's good all the time. , {Repeat Chorus 2 Times} {Tag} You can search the whole world over, no greater friend you'll find. He's not good just once in awhile, He's good all the time.
