

# Ice Cold Heart

[Ray Price](#)

Ice cold love  
Your love is cold as ice cold  
I wish I knew someone  
To love me like I love you This morning when you went away, I'm wondering dear  
If you're gonna stay away  
I see a pretty rainbow  
It reminds me I love you so I remember dear  
When your lips were warm as fire  
You said, you love me so  
But now it's awful cold the ice cold heart This morning when you went away, I'm wondering dear  
If you're gonna stay away  
I see a pretty rainbow  
It reminds me I love you so
