Simple Life

Summer Cannibals

I lie awake and question my words
I'll talk vague and sing in code
I question everything I'll fight for
A simple life, and a simple love, and a simple home
A simple life, and a simple love, and a simple home
Ooh, something bigger
Ooh, something real
Ooh, something bigger
Ooh, something real
Ooh, something bigger
No simple life, no simple love, no simple home
I lie awake and question my words
In my vague and intentional (?)
I question everything that I love
And wish for things that I know I'll never hold
Like a simple life, and a simple love, and a simple home
A simple life, and a simple love, and a simple home
Ooh, something bigger
Ooh, something real
Ooh, something bigger
No simple life, no simple love, no simple home
Ooh, something bigger
Ooh, something real
Ooh, something bigger
No simple life, no simple love, no simple home
