

Lipstick (feat. Rick Ross)

Jagged Edge

this song right here damn

yeah ricky ross JE

she had that lipstick red high heels on turning me own and everybody in the spot on lipstick red stripper shoes
oncheck out this view (missing lyric) cause i cant wait to get you home

she bad shorty bad like a micheal jacksons song i think that's her theme song she wild in the club when it come
on her body like a stripper if we ask she don't keep her clothes on later on when we get home (missing lyrics)
girl i love when you got them pumps on make me want to get my bumb on my bump on she had them lipstick
red high heel on turning me on and everybody in the spot on lipstick red stripper shoes on she got this view on
and i can't wait to get you home she mine the firl mine like micheal jackson song i been watching her all night
long dibs on shawty yeah that's that one so fine they know closet full of labels like careon sex in the city like
(missing lyric) so impressed with everything in my view girl i love it when you got them puimps on make me
want to get my bump on my bump on she had that lipstick red high heels on she turning me on and everybody in
the spot on lipstick red stripper shoes on check out that view on her
