

# The Test Of Time

[Dean Martin](#)

Tonight I know the kiss we share  
Is sweet beyond compare  
But will it stand the test of time? The lovely glow that's in your eyes  
The music in your sighs  
Oh, will they stand the test of time? Time changes mountains, time changes rivers  
Time changes winter to spring  
Time changes everything they say But if the thrill we feel tonight is really, really right  
You'll never take your hand from mine  
And our love will stand the test of time Time changes mountains, time changes rivers  
Time changes winter to spring  
Time changes everything they say But if the thrill we feel tonight is really, really right  
You'll never take your hand from mine  
And our love will stand the test, the test of time
