

I'm Trapped

Matshikos

I'm trapped (lalalalalalala) I'm trapped (lalalalalalala) I'm trapped (lalalalalalala) I'm trapped (lalalalalalala)
I'm trapped (lalalalalalala) I'm trapped (lalalalalalala) I'm trapped (lalalalalalala) I'm trapped (lalalalalalala) I'm
trapped (lalalalalalala)

I'm trapped, between 2 sides
I dont know where to lie
Whether to believe in the Bible
Or to my traditional believe
I'm so confused ayayayaya, I don't know where to lie
Ayayayaya, I don't know where to lie

I'm trapped (lalalalalalala) I'm trapped (lalalalalalala) I'm trapped (lalalalalalala) I'm trapped (lalalalalalala)
I'm trapped (lalalalalalala) I'm trapped (lalalalalalala) I'm trapped (lalalalalalala) I'm trapped (lalalalalalala) I'm
trapped (lalalalalalala)

At the present time, I believe In both gods
And my ancestors, and my ancestors
My God says I'm not wrong, but the other says I'm wrong, I'm so confused, I don't know which direction to
follow
I dont know which direction to follow
Elele mom

I'm trapped (lalalalalalala) I'm trapped (lalalalalalala) I'm trapped (lalalalalalala) I'm trapped (lalalalalalala)
I'm trapped (lalalalalalala) I'm trapped (lalalalalalala) I'm trapped (lalalalalalala) I'm trapped (lalalalalalala) I'm
trapped (lalalalalalala)

I'm trapped, between 2 sides
I dont know where to lie
Whether to believe in the Bible
Or to my traditional believe
I'm so confused ayayayaya, I don't know where to lie
Ayayayaya, I don't know where to lie, ayayayaya, I don't know where to lie

I'm trapped (lalalalalalala) I'm trapped (lalalalalalala) I'm trapped (lalalalalalala) I'm trapped (lalalalalalala)
I'm trapped (lalalalalalala) I'm trapped (lalalalalalala) I'm trapped (lalalalalalala) I'm trapped (lalalalalalala) I'm
trapped (lalalalalalala)
