

# Dead Hearts (LightsoverLA remix)

## Stars

Tell me everything that happened  
Tell me everything you saw  
They had light inside their eyes Did you see the closing window?  
Did you hear the slamming door?  
They moved forward, my heart died Oh please tell me what they looked like  
Did they seem afraid of you?  
They were kids that I once knew I could say it but you won't believe me  
You say you do but you don't deceive me  
It's hard to know they're out there  
It's hard to know that you still care I could say it but you won't believe me  
You say you do but you don't deceive me  
Dead hearts are everywhere Did you touch them?  
Did you hold them?  
Did they follow you to town?  
They make me feel I'm falling down Was there one you saw too clearly?  
Did they seem too real to you? They were kids that I once knew  
Now they're all dead hearts to you.
