Foreplay

Clint Crisher

Foreplay, foreplay, oh
Foreplay, foreplay, oh
Come on baby, a little foreplay
A little foreplay, come on foreplaySo, start the touchin baby
Cause you know we're ready
You know it drives me crazy
The time is now
You want me to growl
Foreplay, foreplay, foreplay, oh babyForeplay, foreplay, foreplay
I want some foreplay baby
Foreplay, foreplay, come on baby
Come on baby, let's play castle now
Don't give me no hassle, babyForeplay, foreplay, foreplay
Oh, I want some foreplay, foreplay
Foreplay, oh I want some foreplay
Foreplay, you go the Midas touch babyCome on, start the touchin
It must be the real deal
With every little touch
You make me feel so muchForeplay, oh foreplay, foreplay
I want some foreplay baby
Foreplay, foreplayThis must be love that I'm feelin
Even tough we're both just learning
How to foreplay, foreplay
Touch me there, it feels so good
I want it more, you got me tonightForeplay, foreplay, foreplay
I want some foreplay, baby
Foreplay, foreplay, come on baby
Come on baby, let's play castle now
Don't give me no hassle, babyForeplay, foreplay, foreplay, oh
I want some foreplay, foreplay, foreplay
Oh, I want some foreplay, foreplay
You got the Midas touch, babySo start the touchin, baby
You driving me crazy
You're so sexy baby
Foreplay, foreplay
Yes, do it baby
Oh a little harder
Let's play castle
Don't give me no hassle, baby

If I react you must attack!
Oh, foreplay, foreplay, foreplay
Foreplay, foreplay, foreplay, foreplay
Lick it, touch it, feel it, stroke it, tease it, ooh!Foreplay, yeah baby, baby, baby, ooh
I want some foreplay today
Foreplay, foreplay, foreplay
You know it's good
Come on baby, come on baby
You know it's good
Let's play castle now, don't give me no hassle
You know it's good
You got the Midas touch baby
You drive me crazy, foreplay
