

Hype Me

Tynisha Keli

Yeah, baby
Listen You ain't gotta sell me a thing, boy
Don't you know I'm already hooked on you?
And you ain't gotta flash me the stash, boy
Don't you know I only want to look at you?
So when you talking about your money, I'm not really listening
I can buy my own things, I know that you know things
But don't tell me, just hold me
Mmm, tightly, nightly oh, no You ain't got to hype me, hype me, hype me
You ain't got to hype me, hype me
I'm already excited, baby
Hype me, hype me, hype me
You ain't got to hype me, hype me
I'm already excited, baby
I see (yeah) you (yeah)
I know you're steady on your hustle, too
And I know that you like me (yeah)
But you ain't gotta hype me
Your love is what's exciting me Mmm, no, no, ooo Promise me the sun and the moon, boy
All I really wanted was some time alone
And you can roll up in your hoopty
Still you're gonna swoop me, it's your smile that's gettin' me goin'
Wanna give you all this sunny
All this talk you're running is getting tired
Already got me wired, wanna get me all inspired?
Hold me, whoa tightly oh, nightly cause you know that You ain't got to hype me, hype me, hype me
You ain't got to hype me, hype me
I'm already excited, baby
Hype me, hype me, hype me
You ain't got to hype me, hype me
I'm already excited, baby
I see (yeah) you (yeah)
I know you're steady on your hustle, too
And I know that you like me (yeah)
But you ain't gotta hype me
Your love is what's exciting me So wanna take me to Rome?
Baby, we can just stay home
You and me all alone wearin' nothin but cologne (Oh, oh, oh, oh, oh, oh)
That's all I really want You ain't got to hype me, hype me, hype me

You ain't got to hype me, hype me
I'm already excited, baby
Hype me, hype me, hype me
You ain't got to hype me, hype me
I'm already excited, baby
I see (yeah) you (yeah)
I know you're steady on your hustle, too
And I know that you like me (yeah)
But you ain't gotta hype me
Your love is what's exciting me
You ain't got to hype me, hype me, hype me
You ain't got to hype me, hype me
I'm already excited, baby
Hype me, hype me, hype me
You ain't got to hype me, hype me
I'm already excited, baby
I see (yeah) you (yeah)
I know you're steady on your hustle, too
And I know that you like me (yeah)
But you ain't gotta hype me
Your love is what's exciting me
