

Nothing's Gonna Change My Love for You

Glenn Medeiros

If I had to live my life without you near me
The days would all be empty
The nights would seem so long
With you I see forever oh so clearly
I might have been in love before
But it never felt this strong
Our dreams are young and we both know
They'll take us where we want to go
Hold me now, touch me now
I don't want to live without you Nothing's gonna change my love for you
You ought to know by now how much I love you
One thing you can be sure of
I'll never ask for more than your love Nothing's gonna change my love for you
You ought to know by now how much I love you
The world may change my whole life through
But nothing's gonna change my love for you If the road ahead is not so easy
Our love will lead the way for us
Like a guiding star
I'll be there for you if you should need me
You don't have to change a thing
I love you just the way you are
So come with me and share the view
I'll help you see forever too
Hold me now, touch me now
I don't want to live without you Nothing's gonna change my love for you
You ought to know by now how much I love you
One thing you can be sure of
I'll never ask for more than your love Nothing's gonna change my love for you
You ought to know by now how much I love you
The world may change my whole life through
But nothing's gonna change my love for you Nothing's gonna change my love for you
You ought to know by now how much I love you
One thing you can be sure of
I'll never ask for more than your love, my love Nothing's gonna change my love for you
You ought to know by now how much I love you
One thing you can be sure of
I'll never ask for more than your love Nothing's gonna change my love for you
You ought to know by now how much I love you
The world may change my whole life through

But nothing's gonna change my love for you
Nothing's gonna change my love for you
You ought to know by now how much I love you
One thing you can be sure of, sure of
I'll never ask for more than your love, my love
