Welcome Home

Dave Dobbyn

tonight I am feeling for you
under the state of a strange land
you have sacrificed much to be here
there but for grace as I offer my hand
welcome home, i bid you welcome, i bid you welcome
welcome home from the bottom of my heart
out here on the edge
the empire is fading by the day
and the world is so weary in war
maybe well find that new wayso welcome home, see i made a space for you now
welcome home from the bottom of our heart
welcome home from the bottom of our hearts
keep it coming now - keep it coming now
youll find most of us here with our hearts wide open
keep it coming now - keep on coming now
keep it coming now - keep on coming nowtheres a woman with her hands trembling - haere mai
and she sings with a mountains memory - haere maitheres a cloud the full length of these isles
just playing chase with the sun
and its black and its white and its wild
all the colours are one
