(What a) Wonderful World

Art Garfunkel

What a wonderful, wonderful world this would be
What a wonderful, wonderful, wonderful, wonderful worldDon't know much about history
Don't know much biology
Don't know much about a science fic
Don't know much about the French I took
(But I do know)
But I do know that I love you
And I know that if you love me, tooWhat a wonderful, wonderful world this would beDon't know much about geography
Don't know much trigonometry
Don't know much about algebra
I don't know what a slide rule is for
(But I do know)
But I do know one and one is two
And if this one could be with youA wonderful world
What a wonderful, wonderful world this would be
What a wonderful, wonderful, wonderful worldNow I don't claim to be an 'A' student
But I'm tryin' to be
I think that maybe by bein' an 'A' student, baby baby
I could win your love for meDon't know much about the Middle Ages
Looked at the pictures then I turned the pages
Don't know nothin' 'bout no rise and fall
Don't know nothin' 'bout nothin' at all
(But I do know)
Girl it's you that I've been thinkin' of
And if I could only win your love, oh girlWhat a wonderful, what a wonderful world this would be
What a wonderful, wonderful world this would be
What a wonderful, wonderful, wonderful, wonderful world
What a wonderful, wonderful, wonderful, wonderful world
What a wonderful, wonderful, wonderful, wonderful world
What a wonderful, wonderful, wonderful, wonderful world
