(What a) Wonderful World

Art Garfunkel

What a wonderful, wonderful world this would be What a wonderful, wonderful, wonderful worldDon't know much about history

Don't know much biology

Don't know much about a science fic

Don't know much about the French I took

(But I do know)

But I do know that I love you

And I know that if you love me, tooWhat a wonderful, wonderful world this would beDon't know much about geography

Don't know much trigonometry

Don't know much about algebra

I don't know what a slide rule is for

(But I do know)

But I do know one and one is two

And if this one could be with youA wonderful world

What a wonderful, wonderful world this would be

What a wonderful, wonderful worldNow I don't claim to be an 'A' student

But I'm tryin' to be

I think that maybe by bein' an 'A' student, baby baby

I could win your love for meDon't know much about the Middle Ages

Looked at the pictures then I turned the pages

Don't know nothin' 'bout no rise and fall

Don't know nothin' 'bout nothin' at all

(But I do know)

Girl it's you that I've been thinkin' of

And if I could only win your love, oh girlWhat a wonderful, what a wonderful world this would be

What a wonderful, wonderful world this would be

What a wonderful, wonderful, wonderful world
