Don't Wanna Know (feat. Hadean)

Bru-C

[Nate Dogg] + (Hi-C)
I don't wanna know (yeah, ha ha)
I don't wanna know (y'all ain't ready for this one)
(C'mon Nate Dogg) I don't wanna know
(This gon' hurt) I don't wanna know
(Man, feel me on this, uhh)

[Hi-C]
(I don't wanna know) if you see my girl in the club
With her ass all out straight shakin that butt
(I don't wanna know) if you see her talkin to her man
Don't tell me shit 'less you heard what she sayin
(I don't wanna know) when you see her out with her friends
Flirtin with the niggas in the Mercedes Benz
(I don't wanna know) cause what I don't know won't hurt
So don't call me gossipin with no dirt
(I don't wanna know) cause some of y'all act like G's
But if you know the truth, you would drop to your knees
(I don't wanna know) you don't wanna start losin your mind
You're only twenty-fo' but you look forty-nine
(I don't wanna know) if the other brother got mo' cheddar
With a bigger dick and he bangin her better
(I don't wanna know) why you tryin to make my blood pressure high
Bring tears to my eyes, what you want me to die?

[Chorus: Nate Dogg]
(I don't wanna know) don't wanna know, just let me be
(I don't wanna know) don't wanna know, you cheatin on me
(I don't wanna know) don't tell me shit, just let me be
(I don't wanna know) I can't be hurt, by what I don't see
