

# Copper Kettle (Without Overdubs, Self Portrait)

[Bob Dylan](#)

Get you a copper kettle,  
Get you a copper coil.  
Fill it with new made corn mash  
And never more you'll toil. You'll just lay there by the juniper,  
While the moon is bright.  
Watch them jugs a-filling  
In the pale moonlight. Build you a fire with hickory,  
Hickory, ash, and oak.  
Don't use no green or rotten wood,  
It'll get you by the smoke.  
We'll just lay there by the juniper,  
While the moon is bright.  
Watch them jugs a-filling  
In the pale moonlight. My daddy, he made whiskey.  
My granddaddy, he did too.  
We ain't paid no whiskey tax  
Since 1792.  
We'll just lay there by the juniper,  
While the moon is bright.  
Watch them jugs a-filling  
In the pale moonlight.
