

O Mexico

Trisha Yearwood

I'm catchin' this south bound train
I've had enough of the pouring rain
Chilled to the bone, I have to go
Love was never a friend of mine
The only friend that I have is time
It's down the track, ain't lookin' back
Mexico, O Mexico
I long to see your border town
Mexico, O Mexico
Adios mi corazon
The cars are clickin' the night along
But all I hear is a heartbreak song
Haunting me, relentlessly
Come the morning and I will stand
On the banks of the Rio Grande
A brand new day, wash these tears away
Mexico, O Mexico
I long to see your border town
Mexico, O Mexico
Adios mi corazon
There's nothin' like the feel
Of the steel against the steel
And you can't forget the crying of the rail
There's nothin' like the sight
Of a moonlite desert night
To heal a broken heart that was so frail
Mexico, O Mexico
I long to see your border town
Mexico, O Mexico
Adios mi corazon
