

Sans Souci

D-Bo

Sans souci, ah, sans souci
They got no room here for someone like me
 Oh, the mountains start to giggle
When the springtime waters wiggle
 Down the mountainside
 I can hear the fishes swishing
 Just as loud as I'm a wishing
 When I hit the tide
 Go, go, go, go
 Go, go, go, go
 Sans souci, ah, sans souci
They got no room here for someone like me
 Go, go, go, go
 Go, go, go, go
Try to tell me I was evil, try to trample on my soul
 Try to make me think that they were righteous
 But the plot of the lie was whole
 Go, go, go, go
 Go, go, go, go
 Sans souci, ah, sans souci
They got no room here for someone like me
 Ah, the earth, it starts a squaking
 'Cause it knows that love is walking
And it ain't no dream, no, you ain't no dream
 Sans souci, you ain't no dream
 Go, go, go, go
 Go, go, go, go
Try to tell me I was evil, try to trample on my soul
 Try to make me think that they were righteous
 But the plot of the lie was whole
 Go, go, go, go
 Go, go, go, go
 Feel yourselves with all laughing and talking
 That used to be
 Go, go, go, go
 Go, go, go, go
 Go, go, go, go
 Sans souci
