

Are You Beautiful

[Chris Pierce](#)

You never know when you meet someone
Will she be the one?
You never know and I wonder to myself
I wonder to myself
Are you beautiful?
Are you beautiful on the inside?
on the inside?
Are you beautiful?
Are you beautiful on the inside?
on the inside? You never know when you kiss someone
Will she be the one?
You never know and I wonder to myself
I wonder to myself
Are you beautiful?
Are you beautiful on the inside?
on the inside?
Are you beautiful?
Are you beautiful on the inside?
on the inside?
