Hex

Cindergarden

Vision into fate
A poison in the mind
Now the devil's way
Future is designedYou're under a spell, a spell
You don't see it right now
You willInvisible cords pull you along
The ways are contrived
The frequency is wrong
Reveal reveal reveal
Behind the picturesque
Mark you with a stain
Numb you for a price
Signal sending bane
Trance to help enticeYes it's coming in clear
You must discharge the energy
A potion will do the trick
This vial will make you seeThe ways are contrived
The frequency is wrong
Don't know who you are
Or where you belong
Accepting transmission, confusion
Violent pieces broadcast static
Channeling wash the brain
New data in the soulHahahahaha
Ahahahahaha
