Let the Good Times Roll

Samantha Jade

Remember the good times they were better than the worst
Remember the first cut is deeper than the second time, oh round
We give it all we have to give
We live harder than we ever lived, oh yeah
The memories play back in my mind
Like a Kodak one more time,
One more time, before the maybes and if only's
Long before her when you found me
You found me!So let the good times roll, oh
And let the good times roll
So let the good times roll, oh, oh, oh
Let the good times roll, oh
Let the good times roll
Leaves on the branches as the seasons turn
No second chances only lessons learnt
These days I always wanna know where you are
Pray that you're happy where you are, ohoSo let the good times roll, oh
And let the good times roll
So let the good times roll, oh, oh, oh
Let the good times roll, ohIt's crazy how the life turned out
I thought we had it all planned out
But as I hit the lights and turn the bed down
I say goodnight in the end, I let go
The sweetest pain I've ever known
But when you can rewind the time
Here's to looking back, we'll say
Let the good times roll, oh
And let the good times roll
So let the good times roll, oh, oh, oh
Let the good times roll, ohYeah we're gonna let the good times roll
Let the good times roll, oh
Let the good times roll, oh, oh
Let the good times roll, oh, oh
Remember the good times they were better than the worst
