

Roses of Red

The Kelly Family

Roses of red fall in my head
He smiled then turned away
Roses of red grow in my heart
They bloom when he passes me by

'Cause he he makes me happy
And he makes me fly
Oh-oh-oh oh-oh-oh
I bloom when he passes me by

If you want paradise
Then look at my eyes
I'm as clear as the sky when it's blue
If you want paradise
Then look at me twice
'Cause I'm not a normal red rose

And he he makes me crazy
And he he makes me fly
Oh-oh-oh oh-oh-oh
I bloom when he passes me by
Oh-oh-oh oh-oh-oh
I bloom when he passes me by

I know that he doesn't know me
He's just to different no no
I know he knows and he knows I know
We're just to different no no

Roses of red fall in my head
He smiled then turned away
Roses of red grow in my heart
They bloom when he passes me by
Oh-oh-oh oh-oh-oh
I bloom when he passes me by
Oh-oh-oh oh-oh-oh
[Smiled and turned away]
Oh-oh-oh oh-oh-oh
[Smiled and turned away]
Oh-oh-oh oh-oh-oh
