# Braindead

## Red Red Meat

Lusted after overload
Stole the light around you
Ate away the miles and miles
I can see this ending

I know where to find you when I want you
But I don't

Tremors through your habit
Blue and clean and not enough
Coming empty handed
Doctor up the meter

Milk your bait
Another day dry
Brain dead when I'm with you, fine
Lusted all around you gray

I know where to find you when I want you
But I don't

Brain dead fine
Jodie foster john the baptist
Not a waitress left in sight
