Don't Be a Pansy

No Fun At All

Can you hear me?
Or do I have to shout, you won't listen
To what it's all about, don't you worry?
You can work it out, any problem
Go ahead and fight, ohohohohohoh
Go ahead, don't be a pansy, ohohohohohoh
Go ahead, will you fight?Can you see me
Or do I move to find, strident people
Are crying underground but remember
If you're slowing down, if you get caught
You don't finish it, ohohohohohoh
Speed it up faster and faster, ohohohohohoh
Speed it up faster than light[x2] Go
Break [x2]Ohohohohohoh
Go ahead, don't be a pansy, ohohohohohoh [x3]
Go ahead, will you fight?
