# Evil Spell

## Bestial Curse

The Devil is dealing
With illusions and dreams
He takes no money that is sureGave in to temptation
The contract is done
Now I am caught, there's no cureHaunted by demons from Hell
A slave to the evil
I live under evil spellCondemned to Hell
I live under evil spell
A slave to the dark
I live under evil spellOnce you've made the deal
You're a creature cold and blind
The room of damnation has no way out
No, noA cold hearted beast
I'm not dead nor alive
My soul is rotten to the coreHaunted by demons from Hell
A slave to the evil
I live under evil spellCondemned to Hell
I live under evil spell
A slave to the dark
I live under evil spellEvil spell
Condemned to Hell
I live under evil spell
A slave to the dark
I live under evil spellCondemned to Hell
I live under evil spell
A slave to the dark
I live under evil spell
