Refrain

Cady Groves

Please, refrain cause I can't take your,
Your constructive criticism anymore.
What the hell have you been building anyways
Between you and me?
Just a barricade?
I gotta say,

I could do so much better than this.
I know, I know I took the easy road again.
And as for selling myself short,
I have become notorious, oh, oh.
I know how it goes.

This is the part where I realize that I'm alone, alone.

You always told me to be mature.
Well, I just don't know myself anymore.
What's the point of being grown up anyways,
When I can be like you, give it all away?
I've got to say,

I could do so much better than this.
I know, I know I took the easy road again.
And as for selling myself short,
I have become notorious, oh, oh.
I know how it goes.

This is the part where I realize that I'm alone, alone.

And everybody wants to fall in love
In cinematic fashion.
I don't, I don't.
