

Keen On Disco (Hit 'n' Run 12" Disco Mix)

Infernal

One night I woke up late, I couldn't stop thinking about the games that we played,
And so I took a ride, deep into my mind where I got nothing to hide,
You're like a drug of lure, seducing me like every no was sent from above,
You crawled under my skin, I didn't notice anything until you were within,(CHORUS)
Keen on disco, when I go go, Mr DJ make me stay,
Keen on disco, don't say no no,
When I met you, make me stay, keen on discoKeen on discoAt times I long for you, I'm calling and I'm falling
I don't know what to do (o-o-o-o),
You're always on my mind, singly softly to me that were two of a kind,
When you nibble my ear, the bass is softly pumping when caressing my rear,
You make me soft and sweet, and you're confusing me with every magic electric beat,REPEAT CHORUSKeen

Magic, Electric, Disco, (Disco),REPEAT CHORUSKeen on disco,
Keen on disco, when I go go,
Keen on disco (o-o-o-o).
