

# Obelisk (Instrumental)

## Northlane

Time in constant motion  
Like the shifting desert sands  
Slipping through my handsChasing down the minutes  
That turn into days  
Seconds get shorter  
As years fall away  
Chasing down my dreams  
Under borrowed light  
A mirage in the distance  
Escaping my sightDriven to live or driven apart  
What's inside us when we depart  
Driven to live outside of regret  
Time is finite, the clocks are set  
Driven to live or driven apartI realize my flame is burning away  
Starward searching I will find my way  
The power of the mind ready to combust  
I will show you fear in a handful of dustCombustMy flame is fleeting  
But I will live and learn  
Rise and burn, Tick and Turn  
Rise and burnTime in constant motion  
Like the shifting desert sands  
Slipping through my handsDriven to live or driven apart  
What's inside us when we depart  
Driven to live outside of regret  
Time is finite, the clocks are set  
Driven to live or driven apartCombust
