

Rubberband Man

Crown Records Studio Group

Hand me down my walkin cane
Hand me down my hat
Hurry now and dont be late
'Cause we aint got time to chat
You and me, were goin out
To catch the latest sounds
Guaranteed to blow your mind
So high, you wont come down
Hey, yall prepare yourself for the Rubberband Man
You never heard a sound like the Rubberband Man
Youre bound to lose control
When the Rubberband starts to jam
Oh, Lord, this dude is outta sight
Everything he does
Seems to come out right
Once I went to hear them play
At a club outside of town
I was so surprised, I was hypnotized
By the sound this cats puttin down
When I saw this short fat guy
Stretch a band between his toes
Hey, I laughed so hard cause the man got down
When he finally reached his goal
Hey, yall prepare yourself for the Rubberband Man
You never heard a sound like the Rubberband Man
Youre bound to lose control
When the Rubberband starts to jam
Got that rubberband
Up on his toes
And then he wriggled it up
All around his nose
Guaranteed to blow your mind
Playin all that music, yet keepin time
Where in the world did he learn that, oh, Lord
Lord, help him get away
Hey, yall prepare yourself for the Rubberband Man
You never heard a sound like the Rubberband Man
Youre bound to lose control
When the Rubberband starts to jam
Rubberband Man, Rubberband Man
How much of this stuff do he think we can stand
So much rhythm, grace and debonair from one man, Lord
And then he had nerve to wiggle his left toe
To his knee, got the feelin in his head, yall
Oh, come on, baby
Hey, yall prepare yourself for the Rubberband Man
([Incomprehensible])
You never heard a sound like the Rubberband man
(Never heard a sound, oh, he's my man)
Youre bound to lose control

(And he likes to jam)
When the Rubberband starts to jam Rubberband Man starts to jam
Movin up and down across the land
Got people all in his ways
Everything about him seems out of place Just a movin, just a movin, just a move, move, movin
Just a Rubberband, Rubberband Man
Just a movin, just a movin, just a move, move, movin
Just a Rubberband, Rubberband Man Get down
Oh, get down lover
