

# Don't Ever

## Do-The-Undo

Let's take the train to anywhere  
I wanna feel the wind in my hair with you  
Let's tell them all, that soon they'll know  
How very wrong they were to think we'd never go  
And if you tell me yours I'll tell you mine  
And we will clean the cobwebs out of one another's minds  
Don't ever say you've tried  
To leave me in this life  
Don't ever say you've tried  
For the last time  
We'll get a house where the trees hang low  
And pretty little flowers on our window sill will grow  
We'll make friends with the milk man  
And the butcher Mr. Timms will give us discounts when he can  
And if you tell me yours I'll tell you mine  
And we will clean the cobwebs out of one another's minds  
Don't ever say you've tried  
To leave me in this life  
Don't ever say you've tried  
For the last time  
La di da di da  
La di da di da  
La di da di da  
Di da di da  
Oh ohh  
Don't ever say you've tried  
To leave me in this life  
Don't ever say you've tried  
To leave me in this life  
Don't ever say you've tried  
For the last time, babe
