

Empty Eyes

Marc and The Mambas

It's really getting hard
To tell you where you're going wrong
It's such a tragedy to see you
With your mind so far gone
I believe that when things die
There's no point in resurrection
But I try to be hard
I don't wanna fight on a confrontation

Hurt me with your empty eyes
Burn me with your empty eyes
Kill me with your empty eyes
Big like holes that shine with big black lies

Now you're named in town
For giving everybody all you want
There's no turning back the time
Now your seeds are sown
You just sit there grinning
Like a cat that's got the cream
But I can be cruel, just like you
And shatter your one-way dream

Your empty eyes, your empty eyes, your empty eyes
Big like holes that shine with big black lies

(Hey hey baby, forget about you baby)
(Hey hey baby, forget about you baby)

It's really getting hard
To tell you where you're going wrong
It's such a tragedy to see you
With your mind so far gone
I believe that when things die
There's no point in resurrection
But I try to be hard
I don't wanna fight on a confrontation

Hurt me with your empty eyes

Burn me with your empty eyes
Kill me with your empty eyes
Big like holes that shine with big black lies
Big like holes that shine with big black lies

(Hey hey baby)

Hold me with your empty eyes
Kill me with your empty eyes
Burn me with your empty eyes
Hurt me with your empty eyes

With your empty eyes
With your empty eyes

Kill me with your
Burn me
Hurt me
Me
