

# That Night

## Blackalicious

Ayo Vurs told Jumbo and Jumbo told me:  
(Word is it's poppin' over on Bourbon Street  
Now I'm about to dip, maybe find me a treat)  
Aight me too, let's meet back around 3  
It was the crew and me  
We down in New Orleans  
It's ten o'clock, the night is young  
We bout to do our thing  
Far as the eye can see it's people  
Lots of brew and beads  
We celebratin' it's a party poppin', true indeed  
Met about 2 or 3  
Fine ladies who would be  
Movin' hips to all the rhythms very beautifully  
This really suited me  
Maybe a few would be  
Liftin' their shirts revealin' flesh for all of you to see  
Hunger's moving me  
Time for a food to eat  
I have some alligator and some rabbit stew with leeks  
I'm moving lucidly  
I'm feelin' stupid free  
I get a call I'm wondering "yo, who could this be?"  
(it's Jumbo, man, what's poppin' with you, how you doin', G?  
Yo, I heard about this spot tonight if you are D-  
O-W-N to go through I heard the do it B-  
I-G I'll see you there at midnight, holla later, peace)  
I'm feeling crazy geeked  
This is the way to be  
I'm dancin' in the public view, all of the ladies see  
Maneuver through the scene  
Flowin' so fluidly  
Long as I live I won't forget that night in New Orleans  
Oh what a night  
We make the most of every moment  
Oh what a night  
So amazing Ayo, Jumbo told Gab, and Gab told me:  
(Word is it's poppin' over on Bourbon Street  
Yo, I'm about to dip, go and find me a treat

Yo, Vurs don't be late, let's meet back around 3)

Alright y'all

Four divas on Ducatis rolled up kamikazi

The leader in leather stretchin' out a hand to grab

In a flash we burned ground ten miles out of town

She had a fleet of helicopters on the landing pad, boom!

Within minutes we all on Mount Driskill

Overlooking the summit, there's more than 600 people

Waiting to burst. The party shaking the Earth

Men and women in white linen all screaming when I walked in

And the host, former Forbes cover billionaire

Was a Lifesavas fan, found out we was there

Shook my hand and said, "You're the guest of honor., but I had to act quick

Tonight anything you want, just ask

And if you play a couple songs, I can pay you in cash"

And as I reached to call Jumbo, I could hear him up close

Sayin' (Vurs you here too? Let's give 'em a little dose)

Like

(Oh what a night)

While the crowd unifies and fireworks illuminate the sky

An amazing ride

You couldn't beat the price, man

Miracles never cease in life

(Now Gab told Vurs, and Vurs told me:)

Yeah, word is it's poppin' over on Bourbon Street

I'm about to dip, maybe find me a treat:

(alright, me too I'll be back around 3)

Big brother G-A-B was stylin' major

Vursatyl said, "Jumbo make a movie"

So I thought about a style with a Kool Aid smile

Word up, my crew already knew it

Complements of [Brook Billion?] over in VIP

Mardi gras beads, he bow tie invested

Meet up at Tipatina's at 3, he suggested

The streets now

Balconies are crazy crowded

Flash to Vurs sayin'

Next bucket list

WHO THAT, WHOT THAT

Whole House of Blues screaming

DO THAT, DO THAT

That's my Quannum crew teamin'

A dime caught feelings

Now I'm schemin, look

You had to be there to get my meaning
