Like You Want To

Kita Alexander

On the edge of your dream you don't seem to see me,
Only what you wanna see
Oh, what you wanna be? Why won't you come with me?
Take a piece of this, be free
I want to take you to the highest,
Believe, we'll get there (I'll take you there)
I'll take you to the highest,
Like you want me to, can I take you there?
Like you want me to (Don't you wanna?)
Say it like you want to (Don't you wanna?)
Feel the same thing I do (Don't you wanna?)
You know I've always got you, 'cause I got you, yeah, I do!
Don't give in, try not to surrender to the beat,
To the beat of many tender
Please don't fall behind it, stay with me here inside
Your dreams, do you ever wonder?
I want to take you to the highest,
Believe, we'll get there (I'll take you there)
I'll take you to the highest,
Like you want me to, can I take you there?
Like you want me to (Don't you wanna?)
Say it like you want to (Don't you wanna?)
Feel the same thing I do (Don't you wanna?)
You know I've always got you, 'cause I got you, yeah I do!
Say it like you want to (Don't you wanna?)
Feel the same thing I do (Don't you wanna?)You know I've always got you, 'cause I got you, yeah I do!
Can I take you higher than you've ever been?
Can I take you higher than you've ever been?
Can I take you higher than you've ever been?
I'll take you to the highestLike you want me to, can I take you there?
I'll take you there!Say it like you want to (Don't you wanna?)
Feel the same thing I do (Don't you wanna?)
You know I've always got you, 'cause I got you, yeah I do!Say it like you want to (Don't you wanna?)
Feel the same thing I do (Don't you wanna?)
You know I've always got you, 'cause I got you, yeah I do!Can I take you higher than you've ever been?
Can I take you higher than you've ever been?
Can I take you higher than you've ever been?
Can I take you higher than you've ever been?
Can I take you higher than you've ever been?
