SAINT JHN

[Verse 1]

Roses

I walked in the corner with the body screaming dolo
Never sold a bag but look like Pablo in a photo
This gon' make 'em feel the way like Tony killed Manolo
You already know though, you already know though
I walk in the corner with the money, on my finger
She might get it popping, I might wife her for the winter
I already know, already know, nigga roses
All I need is roses[Hook]

Turn up baby, turn up, when I turn it on
You know how I get too lit when I turn it on
Can't handle my behavior when I turn it on
Too fast, never ask, if the life don't last
Done been through it all
Fuck with a nigga raw, this who you wanna be
And I know you won't tell nobody nothing
And I know you won't tell nobody no[Verse 2]

Roses

I might pull up flexing on these niggas like aerobics
I might tell her girl you cute but balling
That shit gorgeous
Standing on the table, RosÃ©, RosÃ©, fuck the waters
You know who to the god is[Hook]

Turn up baby, turn up, when I turn it on
You know how I get too lit when I turn it on
Can't handle my behavior when I turn it on
Too fast, never ask, if the life don't last
Done been through it all

Fuck with a nigga raw[Verse 3]

I might bring them Brooklyn niggas out, oh lord it's overs
I might bring them strippers out and tell 'em do it pole-less
You already know, already know, nigga roses
Kill 'em, make it ...[Hook]

Turn up baby, turn up, when I turn it on
You know how I get too lit when I turn it on
Can't handle my behavior when I turn it on
Too fast, never ask, if the life don't last
Done been through it all

Fuck with a nigga raw, this who you wanna be

And I know you won't tell nobody nothing

And I know you won't tell nobody no[Outro]
