## Knife Party

What's your fucking problem man?  
You agreed to this a long time ago  
You made us a promise  
Did you think we would just forget?  
You cocky fucking bastard  
You can't just walk away!  
We can make you do anything we want  
We own you!  
Now spread your ass cheeks  
And let the games begin  
Open your mouth  
Feel us deep inside You want it  
You need it  
Now speed it up bitch  
You got troubles to sew  
I want you to get up now  
I want all of you to get up out of your chairs  
I want you to get up right now  
And go to the window  
Open it  
And stick your head out and yell  
I'm mad as hell  
And I'm not going to take this anymore  
So let me tell you something bitch
