My Audacity

Claire

I wish I wouldn't be this cynical,
But I know I need more then miracle
I need more then miracle!
Hold on and let me be misunderstand
Tryina be calm when the demons are calling
But it never does me any good

I saw a brighter day,
My head in the clouds
My feet on the ground
I come tumble and I head over hills
I lose my AUDACITY!

I wish I wouldn't be so counterfeit
But I can get in a way with it
But I can get in a way with it
I know I'm my own worst enemy
It's hard to believe in first fantasy
And it's all that will ever be

I saw a brighter day,
My head in the clouds
My feet on the ground
I come tumble and I head over hills
I lose my AUDACITY!

Tonight, I MAKE POETRY
I'm gonna lose everything that's holding back
Let the life take control of me
Until I have to return to my lonely dream
Tonight, I MAKE POETRY
I'm gonna lose everything that's holding back
Let the life take control of me

I saw a brighter day,
My head in the clouds
My feet on the ground
I come tumble and I head over hills
I lose my AUDACITY!

[Electronic outro]
