

Call Off the Search (Live in Berlin)

[Katie Melua](#)

I won't spend my life, waiting for an angel to descend,
Searching for a rainbow with an end,
Now that I've found you
I'll call off the search. And I won't spend my life, gazing at the stars up in the sky
Wondering if love will pass me by
Now that I've found you
I'll call off the search. Out on my own I would never have known
This world that I see today
And I've got a feeling
It won't fade away. And I won't end my days, wishing that love would come along,
'Cause you are in my life where you belong
Now that I've found you
I'll call off the search
