

All I'm Asking

The Band of Heathens

I feel like I've been here before
I chose the wrong path,
I opened the wrong door
But I've been trying
I been trying To make my way on back to this
First time I saw your face,
The taste when we kissed
Lets start over, I'll do better
Maybe next time, we'll be together
All I'm asking
Let me change your mind
All I'm asking for is you My mind is right for the first time
I found a reason, I figured out the round
If you let me, I'll do better
Maybe next time, we'll be together All I'm asking
Let me change your mind
All I'm asking for is you All I'm asking
Let me change your mind
All I'm asking for is you Because I've changed, you changed too All I'm asking
Let me change your mind
All I'm asking for is you
All I'm asking
Let me change your mind
All I'm asking for is you Beause I've changed and you've changed too
