

Shake That Ass (feat. TeeCee 4800 & K CAMP)

DJ Mustard

[Hook]

I got my phone and I tell her to come over
I got the pole in the crib and we gon' go up
Shake that ass, shake that ass, shake that ass

You the only girl getting all this cash (getting all these racks)[Verse 1]

I said, stop, back, acting sadity tonight you can be a rack
C'mon suck up all this dick and get that ass smacked
I be dipping from cops, so fast, call me NASCAR
Got the weed, lean, fiends call me for that Aderall

I used to rock pro clubs, now I rock Burberry
No love here, turn my phone off to February

Toot it and boot it, don't care if I lose it

I give it to you, don't care what you do to it

I got my phone and I tell her to come over

I got the pole in the crib and we gon' go up

Shake that ass, shake that ass, shake that ass

You the only girl getting all this cash (getting all these racks)

[Hook]

I got my phone and I tell her to come over

I got the pour up in the crib and we gon' go up

Shake that ass, shake that ass, shake that ass

You the only girl getting all this cash (getting all these racks)[Verse 2]

Shake that ass right now

Get that cash right now

They playing with you, I'm gon' help you get that bag right now

I'm in a stash right now

Work that pole for a nigga, then get low

Had to grab me some more condoms from the store

She a freak and you know she trying to go

Girl you playing, let me take your ass on roll

Ahh bitch I'm paid

While you playing I might throw it in your face

TeeCee, tell the hoe why we play

I got bitches, why the fuck would I text?

Bring Magic City all the way to Cali

Girl stop playing I might hit it in some Ballys

I'm in the lab, I'll meet you in the Valley

Like I'm Pat Reilly, got a win like Cali[Hook]

I got my phone and I tell her to come over

I got the pole in the crib and we gon' go up
Shake that ass, shake that ass, shake that ass
You the only girl getting all this cash (getting all these racks)
I got my phone and I tell her to come over
I got the pole in the crib and we gon' go up
Shake that ass, shake that ass, shake that ass
You the only girl getting all this cash (getting all these racks)
