I Trust You

[Billy Paul](#)

Go where you wanna go
And do what you wanna do
Go where you wanna go
'cause I, oh I, I trust youYou and me
Ain't are no strings attached
We get along real good
As a matter of fact
I don't worry about youYou don't worry about me
'cause loving somebody makes this somebody free, feel free
Go where you wanna go
And do what you wanna do
Say what you wanna say
Oh I, oh I, I trust you
I trust you, everything you do
Oh I believe in youI trust you
You and me
We've been together a long long time
Let's keep this understanding
so we can have our own peace of mind
the little things we do
We keep it to ourselves
The relationship we share is our greatest wealth
Go where you wanna go
And do what you wanna do
See who you wanna see
Oh I, oh I, I trust you
I trust you in everything you do
Oh I believe in you
Oh I trust you
