

# Moon Crazy

## Broomstick Witches

it's a Friday night  
she feels alright  
full moonlight  
she's moon crazy  
she gone moon crazy  
she's moon crazy  
lets down her hair  
cranks up the music  
rips off her clothes  
runs through the forest  
like a savage beast  
hungry for a sex feast  
she's moon crazy  
she gone moon crazy  
it's a Friday night  
full moonlight  
she's moon crazy  
lets down her hair  
cranks up the music  
she's moon crazy  
she gone moon crazy  
lets down her hair  
rips off her clothes  
runs through the forest  
like a savage beast  
hungry for a sex feast  
she's moon crazy  
she gone moon crazy  
it's a Friday night  
full moonlight  
she feels alright  
she's moon crazy  
lets down her hair  
cranks up the music  
rips off her clothes  
runs through the forest  
like a savage beast  
hungry for a sex feast  
she's moon crazy she gone moon crazy

she's moon crazy she's moon crazy  
she gone moon crazy she's moon crazy
