

On My Way

Phil Collins

Tell everybody I'm on my way
New friends and new places to see
With blue skies ahead, yes I'm on my way
And there's no where else that I'd rather be
Tell everybody I'm on my way
And I'm loving every step I take
With the sun beatin' down, yes I'm on my way
And I can't keep this smile off my face
'Cause there's nothing like seein' each other again
No matter what the distance between
And the stories that we tell will make you smile
Oh it really lifts my heart
So tell 'em all I'm on my way
New friends and new places to see
And to sleep under the stars and could ask for more
With the moon keeping watch over me
Not the snow not the rain can change my mind
The sun will come out wait and see
And the feeling of the wind in your face can lift your heart
Oh, there's no where I would rather be
'Cause I'm on my way now
Well and truly
I'm on my way now
I'm on my way now(x3)
Tell everybody I'm on my way
And I just can't wait to be there
With blue skies ahead yes I'm on my way
And nothing but good times to share
So, tell everybody I'm on my way
And I just can't wait to be home
With the sun beating down yes I'm on my way
And nothing but good times to show
I'm on my way
Yes, I'm on my way
