Mary Mountain

Quilt

I call the sky the day withdrew
Turning this fire we caught into ice with you
I can't leave this fever dream
I can't leave everything that I've seenOh Mary
I won't go
Oh Mary
Living mountain tideThe light embraced this tower the spark you drew
Forever chasing woe the sun imbued
One of these nights we'll return
Tripping over all the foolish things we thought we learned
Somebody held us there
