

Made Of Love (feat. Betsie Larskin)

Ferry Corsten

Just try to break me
Take everything away
Just try to shake me
Out of my placeNothings created
And nothing is destroyedJust try to tame me
You'll never find a way
There's no containing
And no way to brakeNothing?s created
And nothing is destroyed[Chorus]
Take it away,
I'll never give this up
No way to break
We're all made of love
(There isn't a way)
We're all made of loveJust try to save me
There's nothing you can change
There's no explaining
And no one to blameNothings created
And nothing can destroyI'll never give this up
We're all made of love
We're all made of love[Chorus: x2]I'll never give this up
We're all made of love
We're all made of love
