

Part II (on The Run)

Jay-z

Who wants that perfect love story any way
 Anyway
 Click, Click
 Click, Click
Who wants that hero love that saves the day
 Anyway
 Click, Click
Click, Click What about the bad guy goes good
 Yea
And the missing missing love that's misunderstood
 Yea
 Black hour glass
 Our glass
 Toast to click
 In a dark past
In a dark past Boy meets girl
 Girl perfect women
 Girl get the bustin' before
 The cops come running
 Chunking deuces
 Chugging [?][?] what you say
Boys in blue say I don't care if you on the run
 Baby as long as I'm next to you
 And if loving you is a crime
 Tell me why do I bring out
 The best in you
I hear sirens while we make love
Loud as hell but they don't know
 They're nowhere near us
I will hold your heart and your [?]
I don't care if they come, noooo
 I know it's crazy but
 They can take me
Now that I found the places that you take me
Without you I got nothing lose I'm an outlaw
 Gotta outlaw chick
 Bumping 2Pac
 On my outlaw [?]
Matching tats, this Ink don't come off

Even if rings come off
If things ring off
My nails get dirty
My past ain't pretty
My lady is
My Mercedes is
My baby momma harder then a lot of you [?]
Keep it 100
Hit the lottery [?]
You ain't about that life
Ain't gotta lie to me [?]
You know its till the death
Hope it obvi to [?]
Cross the line
Speak about mine
I'm a wave this [?]
I'm a geek about mine
Touch a [?] where his rib at
I click clat
Push your [?] wig back
I did that
I been wilding since a juvi
She was a good girl till she knew me
Now she is in the drop bussin' U'e
Screaming Deeper then words
Beyond right
Die for your love
Beyond life
Sweet as a [?] piece
Beyond ice
Blind me baby
With your neon lights
Ray Bans on
Police in sight
Oh what a beautiful death
Let's both wear white
If you go to heaven and they bring me to hell
Just sneak out and meet me
Bring me a box of L's
She fell in love with the bad guy
The bad guy
What you doing with them rap guys
Them rap guys
They ain't see potential in me girl
But you see it

If it's you and me against the world
Then so be it
